

## Core Values / Core Purpose award nomination form

Nominator name	Morgan Freeman
Date	February 16 <sup>th</sup>
Where	Head Office
What	'Got your back' Core Value
Who	Angelina Jolie
Problem	The computer servers at Head Office were not working, and our IT team were trying to fix it.
Important events	I had a client proposal to send and didn't have access to the quoting program to get the proposal issued in time for the client's deadline.
Solution	Angelina worked back till 9pm with me, despite this not being her job or her area, and she used a similar project to help build the proposal with accurate pricing and as a result we won the project.
