

Made To Thrive | BRAD GILES

\$29.95 PAPERBACK

What's the difference between being a good leader and a great one? What results do great leaders consistently achieve, and how do they continue to deliver? In the new book, *Made to Thrive*, leadership specialist Brad Giles draws upon over two decades of experience to provide a practical guide on how to become a great leader. He provides a detailed step-by-step process for leaders to identify key opportunities, evolve beyond their leadership comfort zone and implement tools to achieve greatness. evolutionpartners.com

MatchFit for Transformation | NIGEL ADAMS

\$29.95 PAPERBACK

In this new book, transformation specialist Nigel Adams draws upon decades of real-world experience to provide a practical guide to effective digital transformation. He believes success lies in not just building the capability of the teams doing the transformation but also bringing those responsible for day-to-day delivery into the transformational tent. hettonadvisory.com

Quietly Powerful | MEGUMI MIKI

\$29.95 PAPERBACK

In the changing, globally interconnected world, the 'alpha' leadership style is becoming outdated and inadequate. Quieter professionals have immense value to contribute, yet many are often overlooked or taken advantage of. In this new book, leadership specialist Megumi Miki shares her own experience and those of many other quiet professionals who have achieved great success in the business environment. Real-life stories are backed up by extensive research which encourages organisations to redefine what good leadership looks, sounds and feels like. megumimiki.com

MatchFit | ANDREW MAY WITH DR TOM BUCKLEY

\$35.00 PAPERBACK

With increasing responsibilities at work and home – whether it's a bigger workload, starting a family, or other life pressures – we often forget to look after the most important asset we have – ourselves. In this new book, performance coach Andrew May draws upon decades of experience working with elite athletes, entrepreneurs and leaders, as well as weathering his own 'perfect storm' with the breakdown of his marriage, to provide a researched-guide on what really creates optimal performance. andrewmay.com

Fighting for Enterprise Success | DAVID SHARROCK

\$44.95 PAPERBACK

In the new book, *Fighting for Enterprise Success*, author and business law specialist, David Sharrock, draws from over four decades experience to provide a practical guide to setting up and running a successful business. It was after seeing some of his clients go under during the GFC that inspired Sharrock to start writing the book, who says the key to business longevity is about getting basic business fundamentals right. fightingforenterprisesuccess.com
