Books

Climate scientist Joëlle Gergis deciphers the UN Intergovernmental Panel on Climate Change Sixth Assessment Report. She argues the solutions we need to live sustainably already exist. We just need the social movement and political will.

*Joëlle Gergis is the sister of the AICD's Head of Policy

Leading futurist Dr Catherine Ball GAICD explains how technology and science can answer many of the world's challenges and suggests how the average person can cope with rapidly evolving changes.

A simple step-by-step guide to significantly increase the effectiveness of new hires and existing teams. For entrepreneurs, managers and HR professionals.
